

“There is no question that YTB is one of the greatest **learning** and **personal growth** environments on earth, with an exceptional academic program. But what makes it really **unique** is the people – students from **around the world**, each with their own personal story, and teachers who truly **care** about their **education** and **well-being**... You can feel the **warmth** as soon as you walk in.”

– Rabbi Boruch Hecht

## T E S T I M O N I A L S

“I joined the YTB winter break program with a group of our students. I have to say that this place is an incredible goldmine. The learning, teachers and the overall atmosphere has a magical impact on everyone.”

– Rabbi Eli Silberstein  
*Chabad Center at Cornell*

“I just wanted to share with you that D. is doing well at your Yeshivah and is really enjoying himself. It has brought him to a new insight and appreciation for Judaism and Chabad that he never had before. Much success.”

– Rabbi Peretz Chein  
*Chabad House at Brandeis*

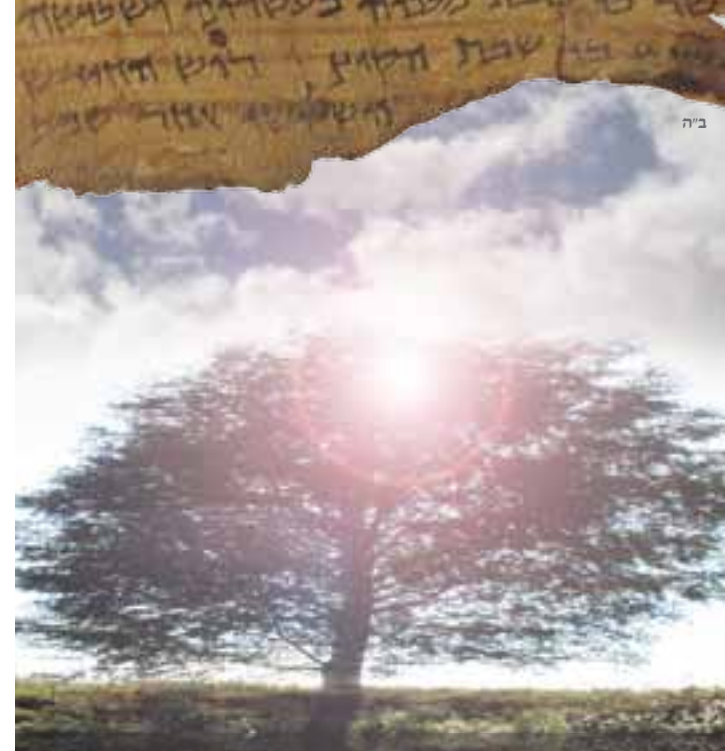

“Thanks so much for the wonderful summer program that you and the Yeshiva put together... I was blown away at the amazing learning and the special environment.”

# YESHIVA TIFERES BACHURIM

Yeshiva Tiferes Bachurim (YTB) is a premier Jewish Studies seminary set in 82 acres of idyllic woodlands outside of Morristown, New Jersey.

Our dynamic program of study offers a fascinating array of introductory, intermediate and advanced courses in:

- Talmudic Studies and Jewish Law
- Chassidic Thought & Jewish Philosophy
- Chumach (Bible)
- Personal Development

Meet illustrious guest speakers, and develop skills in independent learning. Enjoy daily outdoor sports and activities, and enchanting Shabbat experiences. Take meditative walks in the surrounding forest. Delve into the depths of Jewish philosophy and mysticism in our extensive library. Bring your deepest questions and challenges to our scholars in residence.

## FREQUENTLY ASKED QUESTIONS

### What kind of students attend YTB?

Young men attending and visiting YTB come from a variety of academic disciplines and all Jewish affiliations. The subjects studied in Yeshiva provide insight into virtually every area of human thought and development, and complement all courses of study.

### Do I need any Jewish studies background?

No. Our four-tiered learning structure is designed to integrate students on all levels, from beginner to advanced, to challenge them and enable them to graduate to higher levels of study and independent learning.

### How long/short can I come for?

There is no specific time frame for joining the learning. You can come for a day, or enroll full-time and receive a bachelors degree. (Full-time courses of study run as Fall, Spring and Summer semesters similar to a college schedule.) You can join programs of varying lengths offered throughout the year, from weekend programs to 10-day retreats, or we can design a customized learning program suited to your needs and availability.

### Can I receive credits for my studies?

Qualified students can receive college credits for courses taken at YTB and transfer them to their home school with approval. Students enrolled full-time can earn a Bachelors Degree in Religious studies that is recognized throughout the country. Graduates of YTB have used their degrees to gain admittance to Graduate Studies programs at top universities.
